~~Advising and Course Load~~

~~Students with two or more developmental area requirements are enrolled as “undeclared” majors and restricted to 13 hours of University enrollment, unless otherwise specified by admission status. The Office of Academic Advising will assist these students in creating linkages to the departments of their intended majors.~~

Restrictions with Developmental Requirements

- Students with more than one developmental area requirement will be enrolled in the Associate of General Studies Degree program. The Office of Academic Advising will assist these students in creating linkages to departments of academic interest.
- Students affected by the above policy, but who would be rendered ineligible for specific scholarship opportunities, or who would be denied entrance into academic programs with proven student retention success, may petition for permission to declare a baccalaureate degree program. Letters of petition should be sent after the student’s initial admission into ECU and addressed to the ECU Office of Advising.
- Students with two or more developmental area requirements are restricted to 13 hours of University enrollment, unless otherwise specified by admission status.
- Students enrolled in MAT 090 (Pre-algebra) cannot enroll in any course with the following prefixes: AST, BIO, CHE, CIS, CNM, CSC, FOR, GLY, NAT, PHY, SCI, or STA.
