Justification for Proposed Changes or for New Policy/Regulation (Attach additional sheet if necessary)

Lectureships were created at EKU in 2003. In the past decade, both the use of and the need for lecturers has changed. A revision of the policy is needed to formalize the way lectureships are being used and to allow continuous appointments beyond 10 years of service. (A list of proposed changes in the policy is attached)

Consistency with EKU's Mission and Strategic Plan, Other Policies/Regulations, and Related External Documents Cite relevant official statements from EKU or external sources.

NA

Impact on the University

(1) Identify resources (human, financial, physical, operational, technological, other) needed to implement and maintain compliance; (2) Identify changes to EKU's culture and/or behaviors that may be involved.

The revised policy will make extensions to the length of service of lecturers at EKU.

List stakeholders who have been or will be consulted. Indicate action taken and the date it was taken. Attach additional page if necessary. To begin the policy process, at least one university-recognized group must have indicated support.
