

Requesting Senate Support for an On-Campus Legislative Forum

Submitted by: Senator Day

Proposal: To plan and execute a campus-wide Legislative Forum to be sponsored by the ECU Faculty Senate. The Forum would invite Kentucky's state and US legislative leaders (or their aides) to speak (about 10 minutes) on current issues impacting Education in Kentucky (P-20), and ECU in particular, followed by a Q & A session. With Senate approval, a group will be formed to work with Governmental Relations and other campus entities to conduct the Forum. We will seek departmental support for light refreshments. Fiscal impact = \$0.
