- Approval of minutes from meeting of 2/23/2021
- We discussed the responses (and lack thereof) to the invitation for self-nominations for election of university committees sent out by IR. Despite multiple requests, we have not yet received nominees from the following units:
 1. Security, Safety and Emergency Management for seat on Graduate Council
 2. Justice & Safety for seat on Research Committee
 3. Library for seat on General Education Committee
- Once these nominations have been received, we will, as a committee, confirm the eligibility for election of the nominees whose names we have received.
- Motion to adjourn
