

Elections Committee Meeting
October 28, 2020
Zoom
12:30 pm

Present: Todd McCardle, Clint Pinion, Molly Mckinney, Todd Gooch, Amy Schilling

- Approval of minutes from September meeting
- No action items
- Todd McCardle was informed by Pauletta after our last meeting of need to elect a senator to represent part-time faculty on Faculty Senate
- On Friday, Megan will send results of election. Todd will forward these to the members of this committee for certification. We will then forward the results to Marco.
- Need to include announcement that faculty from the departments of Math & Statistics and English are not eligible for election to the University Gen Ed Committee because these departments are represented by an ex-officio voting member. Faculty from these departments interested in serving on this committee should express this interest to their department chair.

Adjourn
