

Elections & University Nominations Committee
September 18
Meeting Summary
Submitted by: Geela Spira

E & U Noms met today. I was elected Chair for this year. We didn't elect a secretary.
The Fall meetings are Oct 16 & Nov 13, both at 4:30 pm.

We are seeking clarification for the following:

1. Aside from the adjunct elections in the Spring, are there are other elections coming up this year that you see?
2. One charge to our committee is to look at internal procedures, but we did a deep dive on that last year. However, with the change in the removal of the 4 University committees, it seems to us that the web page for FS in our section is outdated. If so, do we need to work with someone to adjust our stated duties on the web page?
3. There is a standing charge about communicating with Ryan Wilson about recruiting volunteers for University Committees. Would we still do that if we have returned the election to those 4 committees? Or is that talking about the rest of the regular FS committees?
